## **Verse one**

You came to us, clothed in humanity  
Walking the earth as a servant  
Sin ruled our hearts, You bore the penalty  
Punished but so undeserving  
Fathomless grace, You laid Your life down  
But then You were raised  
Raised up to reign now

## **Chorus**

Forever Yours is the Kingdom  
The power, the glory and praise  
Endless hosannas ever surround You  
Unchanging, Ancient of Days  
Highest of Names

## **Verse two**

One day we'll stand, gathered around Your throne  
Gazing amazed at Your splendor  
Nations will come, worshipping You alone (Rev. 15:4)  
Bowing in grateful surrender  
Hungry no more, feasting before You (Rev. 7:16)  
We'll honor You, Lord, as we adore You

## **Bridge**

Yours is the Kingdom, the power, the glory  
Forever and ever, Amen  
(Repeat)

Chorus
